Join the Team!!

We are accepting nominations for the Vice President, Treasurer and At-Large positions for the Louisville ARMA Board. This is great opportunity to share your knowledge and further the cause of RIM in our market. Other than sitting on the Board, there are other ways for folks to help the Louisville Chapter (hosting a meeting, presenting at a meeting, website assistance, etc). Please call or email any of the current Board members with questions or concerns. This is a great group to be a part of.

Treasurer: The Treasurer is the financial officer of the chapter. This position is responsible to the President and the Board of Directors for the receipt and deposit of all funds of the chapter and for the disbursement of funds for properly vouched and approved expenditures. The Treasurer should serve as Chairman of the Budget/Finance Committee.

Vice President or President Elect: The Vice President or President-Elect is usually the second executive officer of the chapter. It is advisable that the Vice President read and understands all parts of the chapter and ARMA operations, as it is vital to the success of the chapter.
