

ARMA Int'l Lou Chapter

<http://louisville.arma.org/>

Our members make the difference!!

Would you like to be a Mentor? Are you looking for a Mentor? Are you thinking about a certification? Did you just complete a certification? Did you LOVE a speaker you saw recently? Do you have a topic suggestion?

Chances are...If you are struggling with something, another Chapter member is too. SO LET US KNOW. Let's work together to build the best Chapter that we can.

Please send your thoughts, concerns, questions and suggestions to a Board member. Or start a discussion on our Facebook Page.

WE WANT TO HEAR FROM YOU!!

Meet your Local Board Members -

Upcoming ARMA Meetings

March 21 – with Lex ARMA Chapter

April 17

May 15

Quote of the Month

If you can't fly then run, if you can't run then walk, if you can't walk then crawl, but whatever you do you have to keep moving forward.

- Martin Luther King Jr.

New Payment Option Available –

We can now pay for meetings through PayPal! No more running to the ATM for cash.

The More you Know...

Making the most out of your ARMA membership –

IMASTERS: OFFICE 365: KEYS TO SUCCESSFUL ADOPTION

As organizational adoption rates of Microsoft's Office 365 suite continue to accelerate, many information governance professionals need to quickly get up to speed on the organizational drivers at play, and embrace the risks and opportunities it presents in a strategic way. This session is designed to present a holistic view of O365 adoption.

2/21/2018

Today's Presentation – Office 365 – e Discovery

Elizabeth Fogerty, J.D. Vice President Legal, Compliance & Business Development at Controle, LLC

Elizabeth is a licensed attorney with a specialized focus in eDiscovery and Information Governance. She graduated from Marquette University and Santa Clara University School of Law. She has been licensed in Illinois since 2001 and has handled various types of litigation including criminal trials, administrative hearings, and civil cases. Additionally, Elizabeth has participated and managed several large scale eDiscovery reviews.

In her role at Controle she advises clients on retention policies, defensible deletion policies, GDPR readiness and compliance, eDiscovery best practices, process development and managing their Information Governance challenges. She also creates litigation response protocols and eDiscovery runbooks for her clients. She has delivered several CLE accredited courses on eDiscovery issues to law firms and bar associations. Elizabeth received her CEDS certification for eDiscovery professionals in 2014.
